

2015 Reviewer Acknowledgment

With the effort of all Editorial Board members and reviewers of the *Virologica Sinica* (VS), the journal got great progress in the year 2015. VS has been newly indexed by SCIE and the yearly download times on Springerlink have reached the highest record in its history.

The Editors of the *Virologica Sinica* would like to thank all the following reviewers for their excellent work for *Virologica Sinica* in 2015 (from December 1 2014 to December 7 2015). Your invaluable and important works are greatly appreciated. Apology is offered to any other reviewer whose name has been inadvertently omitted.
